INTRODUCTION

Ray Rocket's (Otto and Reggie's Dad) extreme sports shop, Rocket Boards, is going to have to close unless business picks up. So Ray has a plan. His new line, The Rocket 2001 Line, will save the shop - if only kids knew about it. With business down, he has no money for advertising. Sno-Mart - Rocket Board's competitor - knows that Ray might have to close so they put in an offer on the business.

With the situation seeming hopeless, the kids (Otto Rocket, Reggie Rocket, Sam Dullard and Twister Rodriguez) have decided that they should help. There's only one way to keep the shop open. Conroy Blanc, an ex-professional boarder, suggests the kids use the new Rocket 2001 Boards and enter all of the upcoming competitions.

Take control of Team Rocket in the fight to save the Rocket Boards shop. You'll have to beat the best of the competition... including Team Sno-Mart!

THE CHARACTERS

OTTO ROCKET

Also Known As: Ottoman, O-Man, Otto-matic and Rocket Boy

Otto is so totally 'Zen' at ten. You know. In touch with nature, being one with it and all when he's doing something extreme. Stuff like that. He's gifted, stubborn, charismatic and the self-appointed, brazen Rocket Power gang leader. Otto's also totally obsessed with sports. Any kind, as long as it's fast and perilous! And that can be a real problem. Because of his total devotion to the relentless pursuit of athletic perfection, Otto tends to forget just about everything else, making him sometimes unreliable. Okay, most times!

Let the
panic commence!

Power Girls
rule!

REGGIE ROCKET

Also Known As: Reg,
Regina and Rocket Girl

Reggie is Otto's 11-year-old sister. She's strong, smart, a star athlete and a leader and crusader for the underdog. She publishes her own zine that covers everything from extreme sports (natch!) to 'kid politics.' She really is the ultimate girl action hero, never turning down a challenge from the boys, and always keepin' up. Reggie is often the voice of reason in the gang.

Time for some
grindage

**HAURICE
RODRIGUEZ**

Also Known As:
Twister
and Twist

Twister is a daredevil film-maker-type who never leaves home without his handheld videocam. In fact, he's been known to get a little too close with that camera, nearly blocking Otto's view of the finish line during a race! Even though his older brother Lars can be Otto's fiercest competitor, Twister and Otto are best friends, behind each other all the way. And Twister's got the film footage to prove it!

SAM DULLARD
Also Known As: Squid,
Squidman and Sammy

Every group of daredevils needs that one voice of reason. And Sam is it for the Rocket Power gang. He's smart, questioning and a loyal techno whiz kid from Kansas who's new to Ocean Shores. Sam's a bit more cautious (think SCARED!) than the rest of the kids, and since he always voices his fears, he helps to keep the group more grounded by making them think before they launch!

Who.
Whoa.
Whooaa!
